

# Industrial Full Gigabit 60W PoE+ + Switch

## UTP7204GE-HPOE

- Full Gigabit high-speed Ethernet ports;
- 60W high power PoE standard;
- Uplink: 2x fiber & 2x Ethernet ports;
- Industrial operating temperature range: -40°C ~ 75°C
- Industrial power interface to ensure reliable power transmission.

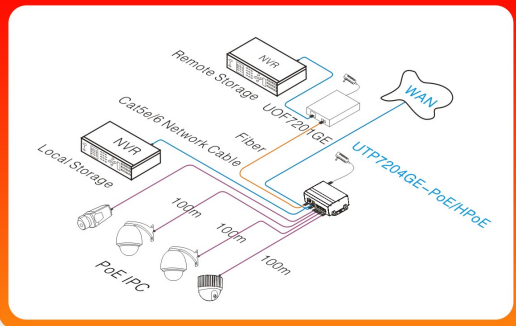

Fiber/ Gigabit Uplink Ports

Each Port: 60W PoE++ 150m

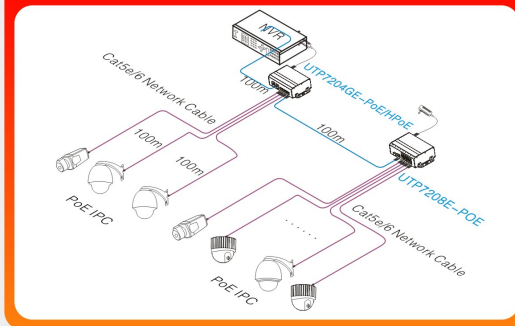

Industrial Terminal

Din Rail Installation

### Standard Application

### Cascade Application
